**Required EEE Information**

WEEE Compliance UK (WCUK) is required by law to report information to government relating to your WEEE obligation. Please detail the total amount of EEE placed onto the UK market in the previous calendar year.

Volumes to be measured should be reported in tonnes to the nearest three decimal places. Please complete for all ten categories and mark zero if you placed no product from that category onto the market in the previous year. Please note that WCUK is a B2B only scheme.
